15504 | Cosmopolitan upholstered bed

Trend : Boudoir

The boudoir mood

This bed frame is ever-so contemporary with its low, minimalist profile and cushy padding. Have you noticed the elegant stitching work on the angled headboard? It's a bed worthy of a boutique hotel with to-die-for decor. The revelstoke bed is beautiful without being flashy, for a genuine sense of wellbeing.

- Solid wood legs (birch)
- Not available in: Motley (GO)
